SAN DIEGO ARMY & NAVY ACADEMY

and

JUNIOR COLLEGE

San Diego, California

Located on Bay and Ocean at Pacific Beach, a delightful suburb of sunny San Diego. Member of the Association of Military Colleges and Schools of the United States.

"If all the world could find lodgment here knowing the mere joy of living in this environment, under these skies, amid these natural beauties, inheritors of a vivid, colorful reminiscence, all the world would make California the end of their pilgrimage from pursuit of happiness to its goal. For in California happiness comes without seeking; it is indigenous, and those who dwell with us carry it within themselves, like the kingdom of God."

—EDWIN CLOUGH.
